

Web3 Wisdom People & Talent

Date: 19 February, 2025

Attract Top Talent, Hyperscale Teams & Build Sustainable Cultures in Web3

Web3 Wisdom: People & Talent is designed for People, Talent, HR and Recruiting professionals who are focused on tackling the unique challenges of attracting, developing, and retaining talent for fast-evolving and decentralised Web3 organisations.

Join us for expert presentations, engaging panels, and curated networking experiences, as we deep dive into sustainable team-building, culture alignment, remote management, and strategic recruitment in this one-of-a-kind industry.
